

An elderly man hurried to his 8:00 am doctor appointment, he wanted to finish quickly so he could get to another appointment. The doctor asked what it was and he proudly said that every morning at a 9:00 am at the hospital he had breakfast with his wife. The doctor asked what her condition was and he replied that for 5 years she has had Alzheimer's and hasn't known who he is. The doctor asked why he continues if she has no idea who he is and the old man replied "because I still know who she is."
